ABOUT WOLFIE

As a kid, he wanted to be an inventor and an artist. The people around him convinced him those weren't real jobs, and so he didn't pursue his dreams. Upon completing his first coding challenge, he realized that he never gave up on his inner child and smiled.

Skills

Coding for 2+ years | Javascript | Ruby | SQL & NoSQL | HTML | CSS.
Express | MongoDB | Electron | React & React Native | JQuery | Jekyll
